

SolarInvert Energy Solutions

12v inverter 6 kW

Overview

What is a 6kW hybrid solar inverter?

Wide PV input range (Up to 500Vdc), support no battery working during the day. SAKO hybrid Inverter 6KW has a built-in WIFI function so that you can check the operation status of the 6kw hybrid solar inverter through APP at any time. Suitable for residential use, such as apartments, villas, etc.

What is a 12V power inverter?

Power inverters with more than 90% conversion efficiency and stable performance. The 12V power inverter has the functions of current protection, short circuit protection, over-voltage protection, reverse charging protection, power protection, and core protection.

What is a 6kW GE inverter?

The 6kW General Electric (GEP6.0) inverter is a single phase, grid-tie string inverter that features up to 3 MPPTs with a maximum 16A input current per string. Designed for residential use, this GE inverter is easy to install and ensures maximum safety.

What is a 6V to 12V converter (inverter)?

The PGPI is a 6V to 12V converter for vehicles that still have a 6V, positive ground electrical system. It is necessary if you are still running positive ground for all of our radios, which run on a 12V, negative ground electrical system. The PGPI positive ground inverter comes with detailed wiring instructions.

What is a 12V 220V power inverter?

This inverter 12V 220V generates 1000-watt continuous and 2000-watt surge power which can be applicable for AC household appliances or electrical devices during work trips, road trips, camping, and so on. This power inverter has full safety protections, built-in fuses, and a temperature-controlled cooling fan, to protect your devices from damage.

What are the features of Sako hybrid solar inverter 6kW?

Touch buttons on the LCD. With 12Vdc output (when having batteries) and Dual AC output . Wide PV input range (Up to 500Vdc), support no battery working during the day. SAKO hybrid Inverter 6KW has a built-in WIFI function so that you can check the operation status of the 6kw hybrid solar inverter through APP at any time.
