

A black rectangular LiFePO4 battery is shown at an angle. The top surface features a silver metal plate with a central rectangular cutout and two small circular holes. A red terminal is visible on the right side of the top surface. The front face of the battery has white text and symbols. The text includes '12.8V100Ah', 'LiFePO4', 'Lithium Battery for Deep Cycle', 'Discharge Voltage: 10.8V', 'Charging Voltage: 14.6V', 'Weight: 12.5kg', 'Dimensions: 350x175x125mm', and a 'WARNING' section with safety instructions. There are also CE and RoHS compliance symbols.
