Al jameel switchgear for sale in Uk

Overview

We established the UK market for refurbished switchgear in the 1920s. Almost 100 years later we are still the refurbished HV & LV switchgear market leader, the choice of leading electricity networks, industry and.

As the UK's leading supplier of refurbished 11kV switchgear, our stock includes every common UK installed 11kV switchgear type, including SF6, vacuum & oil insulated circuit breakers, cubicles, RMUs, switches.

The modular nature of modern LV switchgear allows our engineers to re-build or modify our stock of quality refurbished equipment to your requirements, achieving new build quality and performance at a lower price point and shorter lead time. We also have a large stock of legacy UK origin LV switchgear, offering refurbished circuit breakers.

Unlike other suppliers, Slaters refurbished switchgear is more than just repainted switchgear. Every refurbished switchgear item we supply is assessed and tested by our engineers before entering our remanufacturing facility. Equipment which meets our stringent standards is stripped down and completely re-built, re-wired, fitted with protection.

We pride ourselves on our ability to supply quality switchgear to suit your requirements on a short lead time and our renowned after sales service. With almost 100 years of switchgear engineering experience and know-how, our success is built on consistently exceeding our customer's expectations and an exceptionally high number of returning.
