**Are there any base station sites  
in the Middle East**

## Overview

---

According to the Council on Foreign Relations, eight of these are permanent installations—in Iraq, Qatar, Bahrain, Kuwait, UAE, Saudi Arabia, Jordan, and Egypt—with an estimated 40,000 to 50,000 US troops stationed in the region as of mid-2025. Where are US military bases located in the Middle East?

Naval bases serve as bases for military ships. Al Udeid Air Base is the largest US military facility in the Middle East. The facility is situated west of Doha, Qatar. It was created in 1996 and is home to over 11,000 coalition and American service men. The complex, which is 24 hectares (60 acres) in size, can house around 100 aircraft and drones.

Are US military bases in the Middle East a problem?

For decades, the United States has operated out of bases and facilities throughout the Middle East. As security priorities have changed and relationships with host countries have evolved, so have the locations and needs of U.S. forces in the region. Over the years, some of these bases or facilities have caused controversy.

What US facilities are in the Middle East?

Following are significant US facilities in the Middle East: The US military has moved aircraft and ships to protect forces in the Middle East. / Reuters Home to the headquarters of the US Navy's Fifth Fleet, whose area of responsibility includes the Gulf, Red Sea, Arabian Sea and parts of the Indian Ocean.

Where are US troops stationed in the Middle East?

About 10,000 troops are stationed at the largest U.S. outpost in the Middle East. The Ali Al Salem Air Base, often known as "The Rock" due to its remote and mountainous setting, and Camp Arifjan, the forward headquarters of U.S. Army Central, are two of the many expansive military sites.

Is Dubai a military base?

Dubai's Jebel Ali Port, while not a formal military base, is the US Navy's largest port of call in the Middle East that regularly hosts US aircraft carriers and other vessels.

What is a military base?

A military base is a facility that is directly owned and run by the military or one of its components, housing military personnel and equipment, and facilitating operations and training. A military base can serve as a command center, training ground, or proving ground in addition to housing one or more units.
