

SolarInvert Energy Solutions

Base station outdoor integrated cabinet power supply

Overview

What is energy saving integrated cabinet?

ESTEL's Energy Saving Integrated Cabinet provides complete solutions for outdoor working environment and safety management of telecom base station. As a base station, it can integrate the main equipments, system power supply, AC and DC power distribution, environment monitoring, batteries, lightning protection and grounding devices.

What is a Longxing outdoor power cabinet?

LongXing outdoor power cabinet provides flexible size options, offers the ideal enclosure solution to build the whole base station inside.

What is outdoor integrated cabinet?

1. Outdoor Integrated Cabinet Description ■ The cabinet, made of galvanized steel, consists of cabinet body and accessories. Thickness of inner plate is 0.8mm, and thickness of outer plate is 1.5mm. ■ Based on different functions, the cabinet is divided into battery compartment, power supply compartment, and equipment compartment.

How many compartments are in a power supply cabinet?

Based on different functions, the cabinet is divided into battery compartment, power supply compartment, and equipment compartment. Equipments inside the three compartments can use one cabinet or two cabinets. The cabinet features easy installation and good seal performance.

What is outdoor Telecom cabinet?

The outdoor telecom cabinet, made from metallic material or non-metallic material, can be used under various weathers and climates, providing outdoor physical work environment and safety system for wireless telecom station or wired network station. Operators without permission are not allowed to get access to the cabinet.

What is Estel energy saving integrated cabinet?

ESTEL's Energy Saving Integrated Cabinet has multiple temperature control solutions (precise air conditioner, heat exchanger, straight ventilation), and provides corresponding temperature control solutions for different cabinet compartment, in order to better realize energy saving and exhaust reduction.
