# Battery cabinet external 12 volt power supply

## Overview

---

Does RGL offer a 12V power supply?

The 12V range of power supplied from RGL come with a battery backup option, full electronic protection, switchmode technology & LED Indicators (Read more) The 12V power supply range from RGL are housed in a steel clam shell case with multi LED indicators, tamper proofing and space for a 12V 9Ah battery (not included).

Why do we need a backup battery cabinet?

Through cutting-edge research and innovation, advanced engineered power products for backup battery cabinets have become essential to our energy future. When the power goes out, battery backups ensure that the Internet, cloud-based data, financial and health records stay accessible.

What is a C&C power battery enclosure?

C&C Power Battery enclosures are configured to meet the need of all types of applications. Battery cabinets are engineered for an uninterrupted power backup source to support the continuous operation of your critical facility.

Why do we need a battery enclosure?

When the power goes out, battery backups ensure that the Internet, cloud-based data, financial and health records stay accessible. The role of batteries in producing emergency power supply for industries across the country is vital for our infrastructure. C&C Power Battery enclosures are configured to meet the need of all types of applications.

Which power supplies are suitable for access control systems?

Each power supply features switchmode technology and full electronic protection including deep discharge protection, current limiting, short circuit protection & mains transient protection. Compliant to EMC EN61000-6-1 & 3, these power supplies are suitable for access control systems that require

battery back up.
