

SolarInvert Energy Solutions

Berne Energy Storage Project

Overview

The SIP Biel/Bienne, which is home to the Energy Storage Research Centre and other innovative companies, is the perfect partner for implementing research outcomes into practice. SIP Biel/Bienne is one of the five locations selected for the national Switzerland Innovation project.

Bern University of Applied Sciences' engagement with the Swiss Competence Centers for Energy Research (SCCER) 'Storage', 'Mobility' and 'Grids' brings.

The Lithium-Ion Battery Competence Network (KLiB) counts among its members leading international industrial companies and practice-oriented research.

The collaboration between the Institute of Dongguan at Sun Yat-sen University(SYSU) in China and the Energy Storage Research Centre focuses on co.
