The advertisement features a white, rectangular Energy Storage System unit with a black handle and a ventilation grille. It is set against a background of a snowy mountain range and a field of solar panels.

## Overview

---

Where can I get a replacement breaker?

To get a replacement Bryant Type BRD BR 15-15 CU-AL SWD circuit breaker, find an Electrical Supplier in your area. If you are in a remote location and the nearest supplier is more than an hour away, consider getting a replacement through a local Electrician. Note that Bryant is now replaced with Cutler Hammer products, so a Cutler Hammer/Eaton reseller would be more than happy to help you.

Who is circuit breaker wholesale?

Circuit Breaker Wholesale is your one-stop supplier of circuit breakers, transformers, & motor controls. We carry the largest Inventory from top manufacturers.

Where can I buy a used circuit breaker?

If you're in the market for used, refurbished, hard-to-find, or even obsolete circuit breakers, CBW is your best source. Your one-stop supplier of circuit breakers, transformers, and motor controls. © 2025 Circuit Breaker Wholesale. Privacy Policy Terms of Service.

How much does it cost to replace a breaker?

Find a replacement breaker with the same voltage. Look in the electrical section at your local hardware store for breakers that are the same size as the ones you're replacing. Single and double pole breakers typically range from around \$5 to \$10 USD. Turn off the individual breaker you need to replace.

Does Breaker Outlet sell circuit breakers?

Breaker Outlet sells a vast collection of circuit breakers. They have main circuit breakers, replacement circuit breakers, and motor controls available for home, commercial, and industrial customers.

What is a residual current circuit breaker?

Residual current circuit breaker (RCCB) is a switch that can act automatically when the leakage current in the circuit exceeds a predetermined value. What is a Buzzer?

What is the difference between MCCB and ACB?

What is an air circuit breaker?

What is a molded case circuit breaker?
