

SolarInvert Energy Solutions

Bolivian High Power Energy Storage Equipment Company

Overview

Where is the largest lithium-ion battery storage system in Bolivia?

The site in the municipality of Baures, Bolivia. Image: Cegasa. The largest lithium-ion battery storage system in Bolivia is nearing completion at a co-located solar PV site, with project partners including Jinko, SMA and battery storage provider Cegasa.

Can Bolivia become a global powerhouse in electric micro-mobility?

MOBI CEO Ariel Revollo: "Latin America has the capacity to become a global powerhouse in electric micro-mobility, and we believe Bolivia can be the leader of this transition.

Can Bolivia become a green energy superpower?

The partnership between MOBI and EnergyX highlights the thriving innovation environment in Bolivia, and will take the country one step closer to becoming a green energy superpower.

What is Huijue's home energy storage solution?

Huijue Group's Home Energy Storage Solution integrates advanced lithium battery technology with solar systems. Ranging from 5kWh to 20kWh, it caters to households of varying sizes. It reduces electricity bills and serves as emergency backup power, providing a seamless, intelligent, and one-stop energy solution.
