

SolarInvert Energy Solutions

Boston hollow photovoltaic panel manufacturer

Overview

Does Boston Solar install solar?

From financing to design and installation, Boston Solar does it all. Our in-house installers are licensed and certified, meaning you can rest assured that your solar meets the most rigorous standards. Download the Boston Solar complete guide to going solar and get answers to all your questions about solar energy.

Who is Boston Solar?

New England's Leading Solar Installer The Boston Solar Team has delivered customized solar energy solutions to over 6,000 households in New England for the past 13 years. Recently, we have expanded into the commercial market, completing projects for small businesses and even the iconic Fenway Park, home of the Red Sox.

Do you need a rooftop solar system in New England?

Homeowners throughout New England are switching to solar energy, and you should, too. Rooftop solar panels have a long list of benefits that will save you money, reduce your impact on the environment, and reduce your reliance on your utility company. We are vertical integrated to ensure you get the most complete solar system for your needs.

What is the largest solar PV plant in the UK?

50 MWp Solar PV Project at Former RAF West Rainham Base, UK Built at the former RAF base of West Rainham, this PV plant has an installed capacity of approximately 50 MWp and will be the largest PV plant in the UK when completed.
