## Overview

---

What is Brunei's largest national solar project?

KUALA LUMPUR: Solarvest Holdings Bhd's subsidiary Atlantic Blue Sdn Bhd has secured Brunei's largest national solar project, with a generation capacity of 30 megawatts (MW). The project will be developed through a joint venture company, Seri Suria Power (B) Sdn Bhd, in partnership with Serikandi Oilfield Services Sdn Bhd and Khazanah Satu Sdn Bhd.

How many solar panels can be installed at Berakas power station?

The BPC Headquarter Building rooftop solar PV system has a capacity of 135kWp consisting of 320 LG Panels and the use of SMA inverters. The entire project consisting of 3 rooftop locations around the Berakas Power Station shall have a total capacity of 191kWp when completed in December 2020. Copyright © 2025 Berakas Power Company Sdn. Bhd.

What are the major solar installations in Brunei?

Major active solar installations in Brunei include the country's first, Tenaga Suria Brunei, launched in 2010 with a capacity of 1.2 MWp, and Brunei Shell Petroleum's 3.3 MWp solar plant, launched in 2021 to supply power to its headquarters. Both plants have plans for further expansion.

Which financial institution in Bandar Seri Begawan has installed rooftop solar panels?

BIBD is now the first financial institution in Bandar Seri Begawan to install rooftop solar panels, showcasing BIBD's commitment to a greener and more resilient future for Brunei.

Where is Brunei's largest PV project?

It will be constructed on a 332,900-square-meter former landfill site in Kampong Belimbing, Mukim Kota Batu, Brunei. The project is anticipated to achieve operational status by the close of 2026, marking a pivotal moment in

Brunei's renewable energy landscape as the nation's largest PV installation to date.

Is PMB suitable for solar power?

The chairman added that preliminary analysis indicates PMB is highly suitable for harnessing solar power due to its abundant annual solar irradiance, earning a Grade A rating for Solar Energy Resource Richness. A sample solar PV panel displayed during the Project SINAR launched held at Hengyi's headquarters on PMB.
