

## SolarInvert Energy Solutions

# Central Asia Photovoltaic Energy Storage Manufacturer

## Overview

---

Who is sinovoltaics group?

Sinovoltaics Group assists solar PV and BESS developers, EPCs, utilities, financiers, and insurance companies worldwide with the execution of ZERO RISK SOLAR® Projects - implemented by our multinational team of solar PV and BESS specialized quality engineers and auditors on-site in Asia.

Is Arctech a leader in the photovoltaic industry?

“Arctech stands as a paramount leader in the specialized sector of the photovoltaic industry chain,” said Lin XiaoDan, Committee Member of the Party Committee and Senior Vice President of CEEC. “This project is the first large-scale new energy project implemented by Chinese enterprises in Central Asia after the China-Central Asia Summit.”.

Does sinovoltaics offer a quality guarantee?

Sinovoltaics' Quality Assurance clients now qualify for the Quality Guarantee, a compensation in case of a warranty claim. Battery Energy Storage specialized quality engineers, auditors, and testing laboratories in Asia: battery cells, modules/ racks, PCS, containerized BESS, more.

Who is Tu Energy Storage Technology (Shanghai)?

Safe operation and system performance optimization. TU Energy Storage Technology (Shanghai) Co., Ltd., founded in 2017, is a high-tech enterprise specializing in the research and development, production and sales of energy storage battery management systems (BMS) and photovoltaic inverters.

Who accredits sinovoltaics?

Sinovoltaics has successfully been accredited by China National Accreditation Service for Conformity Assessment (CNAS) to ISO17020:2012 - standard for competence of bodies performing inspection and for the impartiality and consistency.

Is sinovoltaics ISO 9001 certified?

Sinovoltaics' Quality Management System (QMS) is certified to and strictly adheres to ISO 9001, ensuring our solar photovoltaic (PV) and energy storage technical de-risking services consistently meet the requirements and expectations of our clients.
