Overview

Who is xindun solar power inverter manufacturer?

We showcased our best-selling solar inverters, solar charge controllers, and off grid solar energy systems designed specifically for the Southern African market. Xindun is a hybrid solar power inverter manufacturer in China. We only supply good quality solar inverter power inverter hybrid inverter and hybrid solar inverter.

What is the production capacity of inverter?

Annual production capacity up to 200 million watt , the inverter failure is as low as 2%, and the inverter quality stability is as high as 95%. We have inverter overseas warehouses and branches in Nigeria, Senegal, Kenya, Zambia, Pakistan, Philippines and Indonesia. 1.

Who makes custom branded inverters?

We've partnered with Xindun Power as a source manufacturer for custom branded inverters. Their strong R&D team and advanced product development capabilities have enabled us to offer high-quality, tailor-made products to our customers.

Why did xindun bring solar inverters to Solarex Istanbul 2025?

Xindun brought various types of solar inverters to SOLAREX ISTANBUL 2025 held in Turkey from April 10 to 12, 2025, to showcase the latest solar power systems and solar solutions to the world and help expand the Turkish solar market.
