

SolarInvert Energy Solutions

China China high tension switchgear Factory

Overview

Who is a reputable switchgear manufacturer in China?

DOHO is one of the most reputable switchgear manufacturers in China, with over 10 years in the electrical industry. We produce a full range of low-voltage (LV) , medium-voltage (MV) switchgear and high-voltage switchgear (HV).

What is High Tension Switchgear?

High Tension Switchgear (HT) is a type of switchgear designed for rated voltages of 12kv and 33kv, with current ranges from 400A to 3200A. These units are powder coated and designed to withstand rated voltages, as well as over voltages caused by lightning and breaker operation transients.

Who is Xiamen Huadian switchgear?

Xiamen Huadian Switchgear specializes in medium and high voltage switchgears and offers a variety of products such as air insulated switchgear, vacuum circuit breakers, ring main units, and gas insulated switchgear, all designed for power transmission and distribution.

Why is China's switchgear industry important?

The Chinese government is increasingly prioritizing green technologies, pushing companies to adopt sustainable practices. Furthermore, the global market relevance of China's switchgear industry is significant, as it is one of the largest producers and consumers of electrical equipment.

What are the main products of China electrical transformer?

Our main products is box type substation, high and lower switchgear, power distribution transformer. We exported goods to Middle Asia, Middle East, Southeast Asia, Africa, South America and other countries. China Electrical Transformer Henan Fengyuan Oil.

What is electrical switchgear?

Electrical switchgear refers to a centralized collection of circuit breakers, fuses. Its design is verified in accordance with IEC 61439-1/-2. The consistent application. Our main products is box type substation, high and lower switchgear, power distribution transformer.
