# China industrial switchgear factory Factory

## Overview

---

Who is a reputable switchgear manufacturer in China?

DOHO is one of the most reputable switchgear manufacturers in China, with over 10 years in the electrical industry. We produce a full range of low-voltage (LV) , medium-voltage (MV) switchgear and high-voltage switchgear (HV).

Who is Shanghai people switchgear factory?

Shanghai People switchgear factory, established in 1983, is a large-scale manufacturing enterprise integrating R&D, production, sales and service of high and low voltage electrical appliances, instruments, power transmission and distribution equipment, high voltage electrical components, building appliances.

Where are switchgears made?

Our range of switchgear is born and bred in Australia. We began our journey over twenty years ago and are proud to have supported many businesses across Australia, New Zealand and the Pacific during this time. Our local staff are the backbone of our organisation.

Why is China's switchgear industry important?

The Chinese government is increasingly prioritizing green technologies, pushing companies to adopt sustainable practices. Furthermore, the global market relevance of China's switchgear industry is significant, as it is one of the largest producers and consumers of electrical equipment.

Who makes Andeli switchgear?

Andeli Group Co., Ltd. is a prominent manufacturer specializing in both low- and high-voltage electrical devices, including a diverse range of switchgear. The company's commitment to innovation and quality is reflected in its extensive product lineup and numerous international certifications.

Who is Xiamen Huadian switchgear?

Xiamen Huadian Switchgear specializes in medium and high voltage switchgears and offers a variety of products such as air insulated switchgear, vacuum circuit breakers, ring main units, and gas insulated switchgear, all designed for power transmission and distribution.
