Companion 40ah power station in Auckland

Overview

What is a companion Rover lithium 40ah power station?

Points can be redeemed against future purchases online or in store. Or 4 interest-free payments of \$187.25 with The Companion Rover Lithium 40Ah Power Station is ideal for 12V portable fridges/freezers.

Is a companion Rover 40 a good power station?

The Companion Rover Lithium 40Ah Power Station is ideal for 12V portable fridges/freezers. Pack Contents: We have had the Companion Rover 40 now for 2 years. It has been a good power source for our 2 x 40 litre, Engel fridges. We run 1x as a freezer and run 1x as a fridge charging the battery with a 120w solar panel.

What is a rover Li 40 Ah power station?

The Rover Lithium 40AH Power Station is designed to power 12V portable fridge/freezers along with other devices. Pack contains 1 x Rover Li 40, 1 x DC charge cable, 1 x AC charge cable, 1 x 50A Anderson to 30A Anderson Powerpole Cable and 2 x DC Jack adaptors.

Is Rover lithium 40ah a good power station?

The Rover Lithium 40Ah Power Station's diminutive size belies its literal power and for those looking for a portable charging solution for their camping adventures, this unit is well worth a look. For those after more camp-side grunt, Companion's Rover 70Ah Power Station is another option, albeit with a seriously hefty jump in asking price.

Is companion a good portable power pack?

Companion's portable power pack offers great value, with straightforward operation, a robust build, and excellent performance, at a reasonable price for this market segment.

How much power does a companion 200W solar charger produce?

When connecting the Companion 200W Solar Charger to my vehicle's battery, it could produce at best 10amp of output, which is fine by me. Companion claims a maximum output figure of 11.1amp per hour, so it's not far off the money.
