

SolarInvert Energy Solutions

Congo s new industrial and commercial energy storage equipment manufacturer

Overview

What is Congo Industries?

Congo Industries is a world leader in the ultra-large scale 200MW+ solar energy industry with subsidiaries in finance, weather monitoring, and advanced asset management on a worldwide level.

Who is Congo energy?

Exclusive distributor of PRAMAC products in the DRC, Congo Energy offers a wide range of reliable and efficient generator sets. Our energy solutions cover various sectors, from light industry to specific infrastructures such as health and data centers. Thanks to our expertise, we offer tailor-made solutions and efficient after-sales service.

What is Congo Equipment?

Congo Equipment is the official CAT dealer for the mining region of Congo with activities covering mining equipment and parts sales, mining equipment maintenance contracts, and components rebuild. They also offer equipment rental. The company employs over 850 employees and contractors in two regional offices and four site workshops in Congo.

What is Congo Inc about?

Congo Inc. by In Koli Jean Bofane is a searing tale about ecological, political, and economic failure.
