Czech Republic Brno develops new energy storage

Overview

Why is Hitachi energy investing 1.1 billion CZK in Brno?

Hitachi Energy is investing over 1.1 billion CZK (approximately \$47 million USD) to expand its High Voltage Products factory in Brno, Czech Republic, marking a significant step in the company's global strategy to support the clean energy transition.

What is CNTE's C&I energy storage project?

1MW/1MWh Project Highlight CNTE's C&I energy storage initiative has been successfully deployed in Brno, Czech Republic, facilitating a green transformation for the local industrial park.

Can Brno lead in a net-zero future?

With this expansion, the Brno factory is poised to lead in shaping a Net-Zero future by creating jobs, supporting local communities, and providing the critical infrastructure needed to advance the world's energy system to be more sustainable, flexible, and secure.
