

## SolarInvert Energy Solutions

# Dubai is equipped with solar-powered air conditioners

## Overview

---

How is air-conditioning provided in Dubai?

In Dubai, air-conditioning is provided through a cold water system piped utility. The cost of this service is usually included in the electricity bill, although for some developments like Dubai Marina and Palm Jumeirah, it is charged separately.

Is green a solar-powered air conditioner?

GREE Unveils Solar-Powered. Dubai, UAE (November 2023): As the world gathers for COP28 in Dubai, a pivotal moment in the global fight against climate change, GREE, the world's best-selling HVAC manufacturer as per Euromonitor, takes centre stage by unveiling its groundbreaking Solar VRF (Variable Refrigerant Flow) air conditioning system.

Who is bringing green solar VRF to the UAE?

Bringing GREE Solar VRF to the UAE is NIA Limited, the business partner of GREE, which is on a mission to reinforce its social responsibility role as a catalyst for positive change in the UAE's sustainable development plans.
