Who are Barlows electrical supplies?

Barlows Electrical Supplies was initially founded to serve the company's ever growing buying demands. We now employ a strong full time and experienced team at our three office locations in Malpas, Manchester and High Wycombe. Our customers include electrical contractors, industrial users, factories, and pub chains.

Who are pop up power supplies?

UK firm Pop Up Power Supplies provides a wide range of retractable and in-ground service units to provide electricity, water, gas and more, plus power bollards.

What are the different types of outdoor power units?

There are three main units in our range – Pop Up units, Power Bollards and In-ground, also known as Flip lid, all of which provide a range of outdoor power. We offer a range of configurations, as well as bespoke In-ground power units or Pop Up units with recessed tops that can accommodate different forms of surface material such as paving.

What services does Ek energise offer?

EKE provides a comprehensive maintenance service, which covers electrical EICR and maintenance checks. Do you have a new project or existing installation?

Get in touch with our team to survey and design your new requirement. EK Energise boasts years of experience, making them your top choice for a dependable and trustworthy local electrician.

Do you need a secure power supply for an outdoor event?

When holding an outdoor event, a secure power supply is vital. Our

retractable supply units and In-ground power units are proven to deliver both a constant and efficient power supply, wherever needed.
