Overview

[Energize Almost Everything] The EcoFlow DELTA Pro 3 supports 120V/240V voltage and has a 4000W output (6000W with X-Boost, scalable up to 12000W), powering nearly all essential home appliances, such as a 3-ton* central AC or a 1 HP water pump. What is a portable power station?

A portable power station is a compact, easy-to-use, and rechargeable battery system that stores energy from outlets or solar panels to power devices anywhere. These best power stations runs silently, produces no fumes, and supports everything from phones to large appliances—ideal for home backup, camping, RVs, emergencies, off-grid, or UPS needs.

How much power does an ecoflow portable power station produce?

Engineered for outdoor enthusiasts, EcoFlow portable power stations deliver robust 300-800W AC output in lightweight 7.7-23.8 lb packages, packing 256-858Wh of adventure-ready energy.

What are the charging options for portable power stations?

The charging options for portable power stations depend on the manufacturer and model. For example, EcoFlow DELTA Pro 3 offers seven fast charging methods, including solar panels, AC (household) wall plugs, Smart Home Panel 2, gas or inverter generator, 800W alternator charger, and EV charging piles.

Are ecoflow portable power stations safe?

EcoFlow portable power stations feature LFP batteries and an IP65-rating for 10+ years of daily use. Our BMS powered by X-Guard monitors 40 safety indicators 24/7, with real-time protection via app control. Backed by a 5-year warranty, it delivers worry-free power for all your adventures.

Do ecoflow portable power stations work if the grid fails?

When the grid fails, EcoFlow portable power stations deliver reliable backup power to keep your home running smoothly.

What are the best portable power stations?

EcoFlow portable power stations are among the best portable power stations—battery-powered generators that keep your gear running anywhere. With a range of capacities, outputs, and ports, there's a fit for every need—whether it's home backup, camping, RV trips, DIY workstations, or emergencies.
