Factory price main switchgear in Singapore

Overview

Who is matrix switchgear design?

MATRIX Switchgear Design Pte Ltd is incorporated in Singapore in Year 2001 by a skilled team with more than 30 years of experience in the manufacturing of Low Voltage Modular Switchgear, Standard Switchboards, Switch Panels, Sheet Metal Enclosures and Metal Parts Fabrications.

Is the switchgear industry in Singapore safe?

When exploring the Switchgear industry in Singapore, several key considerations emerge. Regulatory compliance is paramount, as the country adheres to strict safety and performance standards set by the Energy Market Authority (EMA) and other governing bodies.

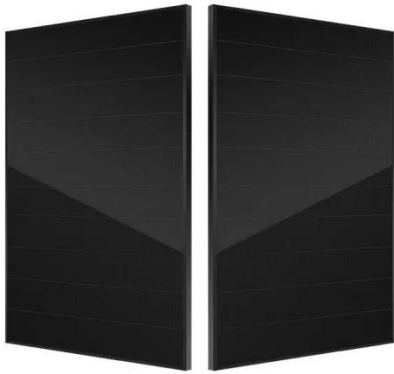

What is the warranty on switchgear panels & control panels?

Fully customisable switchgear panels and control panels of various configurations. Fabricated to suit end user's needs and fulfil local electrical codes standards. 12 months product warranty against manufacturer defects and component defects. Site servicing, repairs, parts replacement is available upon warranty expires.

Is Sonepar a distributor of Schneider Electric?

Sonepar is a leading distributor of electrical products and solutions, operating in key market segments such as Industrial Automation and Energy Infrastructure. The company is the official distributor for Schneider Electric, highlighting its expertise and commitment to providing comprehensive electrical solutions.
