

## SolarInvert Energy Solutions

# Guatemala Outdoor Power Company

## Overview

---

How much power does IPS Guatemala have?

IPS Guatemala has a generating capacity of 440 MW through our assets across Puerto Quetzal and Esquintla. Discover the plants and barges that power the people of Guatemala every day. Guatemala is one of the most beautiful countries in the world, and we strive to keep it that way.

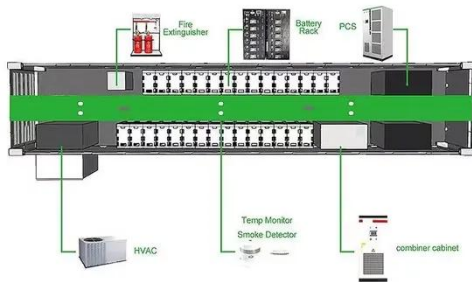

Who is IPS Guatemala?

In 2021, International Power Services acquired legacy plants in Esquintla and Puerto Quetzal. Since then, IPS Guatemala has been dedicated to providing power to Guatemalans, constantly striving for innovation and sustainability at every step. IPS Guatemala has a generating capacity of 440 MW through our assets across Puerto Quetzal and Esquintla.

What makes IPS the largest capacity provider in Guatemala?

Modernize. Empower. This is how IPS serves as the largest capacity provider for Guatemala, staying committed to creating efficiencies and pushing sustainability at every turn. In 2021, International Power Services acquired legacy plants in Esquintla and Puerto Quetzal.
