How many base station sites are there in Honiara

Overview

Where is Honiara airport?

Prewar and during the Pacific War part of the British Solomon Islands Protectorate (BSIP). Still in use today as Honiara International Airport or Honiara Airport in Guadalcanal Province in the Solomon Islands. Further to the west is Honiara. Known to the Japanese as "Lunga Point Airfield", "Runga Point Airfield" with code named RXI.

Where was Honiara airport in the 1950s?

Honiara Airport in the 1950s. This was on the site of Fighter II airfield from the war, which has now become Ranadi and the Honiara Golf Club. (Solomon Islands National Archives, Anglican Church of Melanesia Collection) .

What is Honiara Honaira?

Honiara Honaira is a Ghari language name for the piece of land west of Point Cruz, the site of today's Yacht Club, the Kitano Mendana Hotel and old Government House (now the site of the Heritage Park Hotel). Naho-ni-ara means 'facing the Ara', the place where the southeast winds meet the land.

What is greater Honiara?

Now home to more than 100,000 people, Greater Honiara sits on a curving section of Guadalcanal coast, with no natural sheltered port other than small Point Cruz.

Where did the British settle in Honiara?

After the war, the British decided to use the American facilities as the basis for what is now the city of Honiara. The British established their headquarters around Point Cruz, with a Chinatown established on the east bank of the Matanikau (also Mataniko) River.

How big is Honiara airport?

Today, Honiara Airport has a single runway oriented 24/06 measuring 7,218' x 148' surfaced with asphalt. Airport codes: ICAO: AGGH, IATA: HIR. Used by Solomon Airlines for daily regional flights around the Solomons Islands plus international flights by Solomon Airlines, Virgin Australia and Air Niugini.
