

## SolarInvert Energy Solutions

# Huawei Basseterre Compression Energy Storage Project

## Overview

---

Who is responsible for Huawei energy storage system?

Among them, the ACWA Power will be responsible for the developer's part while Shandong Power will provide the EPC (Engineering, Procurement, and Construction) supplies. In July 2021, Huawei filed an energy storage system patent that was publicly shared on July 9th in China.

Will Huawei provide a 1300 MWh Bess to the Red Sea project?

The company will provide a 1,300MWh BESS to the Red Sea Project, a huge resort under construction on the Saudi Arabian coast, Huawei said during its corporate Global Digital Power Summit 2021 held last week in Dubai, United Arab Emirates.

Is Huawei preparing for energy storage in 2021?

In July 2021, Huawei filed an energy storage system patent that was publicly shared on July 9th in China. This patent targets to normalize the hardware architecture and provides convenient maintenance with reduces costs. We can see the company has a long time preparation for the energy storage which is now gradually starting to implement in actual.
