Overview

What is Huawei inside?

All the spotlight of the newly launched car is grabbed by Huawei Inside, which works on Huawei's self-developed Harmony OS. The OS creates the interaction between the smartphone and the car system. To date, the changes in the application of Harmony OS smart cockpit have touched the two digits. Furthermore, the company is also planning to add more.

What are the products of Huawei?

Guangdong Kuai Intelligent Technology Co., Ltd offers products ranging from 13.3inch, 14inch and 15.6inch laptops to 32 inch to 100 inch TVs, including frame/frameless TVs, traditional and smart TVs, and Apple and fashion all-in-one computers. The company has its own R&D team, production line, and domestic and foreign trade sales team after more than ten years of development.

What is energy storage system products list?

Energy Storage System Products List covers all Smart String ESS products, including LUNA2000, STS-6000K, JUPITER-9000K, Management System and other accessories product series.
