

## SolarInvert Energy Solutions

# Huawei s rooftop photovoltaic panels in El Salvador

### Lithium battery parameters

Product capacity: 100Ah

Product size: 135\*197\*35mm

Product weight: 1.82kg

Product voltage: 3.2V

internal resistance: within 0.5

## Overview

---

What does Huawei do in El Salvador?

El Salvador in English Huawei Strengthens Technological Cooperation with El Salvador. To foster technological advancements in El Salvador, the Chinese multinational giant, Huawei, inked a memorandum of understanding with the Secretariat of Innovation of the Presidency.

Why is Huawei partnering with El Salvador?

The collaborative efforts between Huawei and El Salvador signify a pivotal stride towards nurturing a technologically adept workforce and fortifying the country's standing as a burgeoning technology hub in the region.

Why did Huawei sign a memorandum of agreement with El Salvador?

To foster technological advancements in El Salvador, the Chinese multinational giant, Huawei, inked a memorandum of understanding with the Secretariat of Innovation of the Presidency. The collaboration, formalized through the signing ceremony held yesterday, aims to bolster cooperation across diverse domains.
