Irish Outdoor Power Car

Overview

What is the future of electric vehicles in Ireland?

Electric vehicle technology. This roadmap offers a vision of how the Irish market for electric vehicles could develop up to the year 2050 and models a number of EV deployment scenarios. The impact of EVs on energy efficiency, fossil fuel imports and CO₂ emissions is presented. Additional analysis.

Is Leapmotor Ireland's best value electric car brand?

Leapmotor aims to become Ireland's best value electric vehicle brand by offering high levels of specification and advanced technology as standard. Leapmotor's core philosophy is that customers should not have to compromise on quality or features for affordability, delivering a true value without compromise proposition for Irish car buyers."

Is Electrifi Ireland converting old cars to electric power?

Part of the business model is also the conversion of older, classic models to electric power. Crowley has already shown skills in that area through his existing Electrifi Ireland business, which previously converted a 1980s Ferrari 308 GTS (yes, the Magnum PI-style one) to battery power.

Is Leapmotor coming to Ireland?

Michael Dwan, Managing Director at Gowan Group said: "Gowan Group is very pleased to announce the imminent arrival of Leapmotor in Ireland. Leapmotor aims to become Ireland's best value electric vehicle brand by offering high levels of specification and advanced technology as standard.

Can a classic car run on electric power?

Electrifi's Norman Crowley with the Ferrari 308, now converted to electric power and capable of 0-100km/h in two seconds. A new Irish electric car company converting valuable classic cars to run on electricity is to invest €50 million over the next three years on a new operation in Co Wicklow, which will

employ 150 people.

Did Ford build a car in Ireland?

Think of building cars in Ireland and one's mind immediately goes back to Ford's vast factory in Cork, which failed to survive the twin blows of recession and changes to Ireland's car taxation laws.
