

## SolarInvert Energy Solutions

**It is necessary to buy an outdoor power supply when going to Fiji**

## Overview

---

What type of power outlet does Fiji use?

Fiji uses power outlets and plugs of type I. Take a look at the picture below to see what this plug and power socket looks like: Doesn't look familiar?

Do the outlets look different in your country?

You'll need a power plug adapter. Type I - Used in Australia, New Zealand, the South Pacific, China and Argentina.

Do I need a power adapter in Fiji?

If you are from the U.S., you will need a power adapter for sockets of Type I. Americans use Type A and type B, neither of which are compatible with a socket I. We recommend this Universal Adapter that will have you covered in Fiji, in addition to 100+ other countries around the world.

Does Fiji have a power supply?

Fiji's Type I outlets have three flat pins, so make sure to bring an adapter compatible with this configuration. Generally, Fiji has a reliable power supply. However, like many tropical destinations, occasional power outages can happen. Resorts and major urban areas usually have backup generators to mitigate disruptions.

Does Fiji need a plug?

While dozens of countries have the Type A plug that comes standard in the U.S., Fiji sockets are quite different and will require an adapter. Be extra careful with certain appliances that only function at a single voltage (typically 120V). Most commonly, this includes hair dryers, curling irons, and water boilers.

Can I use a travel adapter in Fiji?

If none of your usual plug is compatible, you should buy a travel adapter to be able to plug your electric devices in Fiji (please visit our selection on Amazon for more details). What is the type of electrical outlets and current in Fiji?

The type of electrical outlets in Fiji is Type I.

Can I use a charger in Fiji?

Chargers for iPhones, Android phones and other smartphones or cell phones are usually dual voltage, so you can use them all over the world. However, it is possible you'll need an adapter to plug the charger into a Fiji outlet. Fiji uses electrical outlets and power plugs of type I (see images).
