# Kingston outdoor power supply OEM

## Overview

---

Why should you choose Kingston?

Because we're Built on Commitment. Kingston serves an international network of distributors, resellers, retailers and OEM customers on six continents. We also provide contract manufacturing and supply chain management services for semiconductor manufacturers and system OEMs. Design, Development, Quality and Trusted Solutions.

What makes Kingston a good company?

From everyday home products, small-to-medium businesses, to the world's largest data centers, leading wearable technology and top-tier cloud providers, Kingston provides reliable and quality hardware. We're Built on Quality. Kingston operates 18 regional offices around the world, working with our distribution network in more than 175 locations.

How many locations does Kingston have?

Kingston operates 18 regional offices around the world, working with our distribution network in more than 175 locations. This level of availability through our worldwide network of distributors and resellers means we are there for you and our partners, wherever we're needed, whatever problem you need us to solve. Because we're Built on Commitment.

How reliable is Kingston memory?

Each module is 100% tested to ensure the highest quality and reliability. Kingston serves 175+ countries with memory, storage, manufacturing, and supply chain solutions worldwide.
