

## SolarInvert Energy Solutions

# LG s energy storage battery

## Overview

---

What is LG Energy Solution?

LG Energy Solution provides the most optimal energy solution for the users using our state-of-the-art energy storage system with a long lifespan and a top-notch quality. When used in conjunction with solar panel installations at home, ESS stores electricity produced by solar panels during daytime to be used at nighttime.

Is LG Energy Solution replacing ESS home batteries free of charge?

LG Energy Solution is replacing affected ESS Home Batteries free of charge as replacement units become available. LG Energy Solution, its distributors, and its installers are attempting to contact owners directly, but consumers with recalled batteries may also contact LG Energy Solution to schedule a free replacement.

Are LG Energy Storage batteries recalled?

A: In cooperation with the U.S. Consumer Product Safety Commission ("CPSC") and other global product safety authorities, LG Energy Solution ("LGES") announced a recall of certain home energy storage batteries. The home batteries can overheat in rare circumstances, posing a risk of fire and emission of harmful smoke.

Why should you choose LG Energy Solution?

Also, power plants can store and manage irregularly produced renewable energy, such as solar, wind, and hydroelectric power, which increases the efficiency of their use. LG Energy Solution provides the most optimal energy solution for the users using our state-of-the-art energy storage system with a long lifespan and a top-notch quality.

What is LG Electronics ESS?

The LG Electronics ESS is a state-of-the-art home energy system designed for

homeowners ready to take control of their home energy usage. It offers reliable power both day and night from a highly efficient system. Expertly designed, the battery usable capacity can be expanded up to 28.5kWh without any additional devices.

Is LG energy solution causing property damage?

LG Energy Solution has received reports of thermal events in the United States causing property damage and one injury. LG Energy Solution is undertaking this voluntary action as part of its commitment to product safety and customer service.
