Overview

Who is Jinpo solar?

Solar PV Panel & Solar Power System Manufacturer in China - Jinpo Solar. For the past 30 years Jinpo Solar only do one thing that is produce Solar PV Panels. If you need any Solar PV Panels and solar power systems for your business, you've come to the right place!.

How to choose a solar water pump system?

First, you should confirm whether the solar water pump system is direct feed or with Tank System. You can refer to the below two diagram to calculate the pump head. In practice, we normally choose the pump head 10%-20% higher than the actual demand in order to make sure the pump can work properly.

Where is Jinko Solar made?

Since its establishment in 2006, the company has become one of the largest producers of solar modules worldwide, with a significant international presence. JinkoSolar is headquartered in Shangrao, Jiangxi, China, and operates numerous manufacturing facilities across the globe.

What is Jinpo solar power kit?

Jinpo follow and spread the idea and develop out many series of home solar power kits, part of them are the whole kit which are plug and play, easy to operate and maintain, part of them are light with battery connected external for easy transportation, connection, operation and maintenance.
