

SolarInvert Energy Solutions

Malesu photovoltaic container factory direct sales

 **TAX FREE**    

ENERGY STORAGE SYSTEM

Product Model
HJ-ESS-215A(100KW/215KWh)
HJ-ESS-115A(50KW 115KWh)

Dimensions
1600*1280*2200mm
1600*1200*2000mm

Rated Battery Capacity
215KWH/115KWH

Battery Cooling Method
Air Cooled/Liquid Cooled

Overview

What is a solar PV container?

The Solar PV Container is a containerized solar power solution. It has been designed with the aim of combining solar electricity production and mobility to provide this electricity everywhere around the world.

Where are talesun solar cells & modules manufactured?

At the same time, Talesun has solar cells & modules factories in United States, Asia-Pacific, Middle East, Africa, China and other locations with products exported to over 80 countries and regions, built a comprehensive and efficient global network for sales and service.

Who is talesun solar technologies?

Talesun Solar Technologies, founded in 2009, is a core renewable energy enterprise under the C&D Group, a Fortune Global 500 company (ranked 85th). It has rapidly grown into a leader in the global renewable energy sector.

Malesu photovoltaic container factory direct sales

World-leading Solar Module Manufacturer

With outstanding technological strength and efficient production capacity, the company has a total of 40 GW of solar modules operating on power grids worldwide, covering regions such as the ...
