

## SolarInvert Energy Solutions

# Micronesia 48v energy storage 304a lithium battery module

## Overview

---

Who is lithium storage?

LITHIUM STORAGE is a lithium technology provider. LITHIUM STORAGE focuses on to deliver lithium ion battery, lithium ion battery module and lithium based battery system with BMS and control units for both electric mobility and energy storage system application, including standard products and customized products.

What is 302ah LiFePO4 batteries?

302Ah Lifepo4 Cells batteries is a prismatic lithium ir. Our vision is to commit to develop a series of intelligent lithium battery products to support energy transition to a I. Forklift battery packs are crucial components for various industries, including manufacturing, logistics, and warehousing.

Does lithium storage provide standard VDA size modules?

As a professional lithium battery solution supplier, Lithium Storage is supplying standard VDA size modules. Since the end of 2018, Lithium Storage started to provide Lithium Iron Phosphate Battery-LFP205Ah and LFP280Ah for electricity conversion of Toyota forklifts.

Are lithium ion batteries a good energy storage system?

Lithium-ion batteries are the most favourable electrochemical energy storage system for electric vehicles and energy storage systems due to their high energy density, excellent self-discharging rate, high operation voltage, long cycle life, and no memory effect.

What are the certifications of our lithium-ion battery factory?

Our lithium-ion battery factory has successively passed the authoritative quality management system certification such as ISO9001, IATF16949, ISO14001, and ISO45001, and our products have also received international certifications such as MSDS, UN38.3, UL, IEC62619, JET, and BIS.

What kind of battery does LiFePO<sub>4</sub> use?

The battery is with BMS / LCD / RS485 / CAN / parallel and WIFI / bluetooth optional. Battery voltage and capacity are customized. We own CE, FCC, ROHS, MSDS, UN38.3 and pass ISO. 50ah 48v Lifepo<sub>4</sub> Battery Solar Battery 2.4kwh
