Modular Uninterruptible Power Supply in Ethiopia

Overview

Does Sempra have a backup power supply?

Utility electricity replaces and maintains energy storage as long as it is available. Uninterruptible power supply, or UPS, is a popular backup power option from Sempra. From network closets and server rooms to business and colocation data centers, Sempra UPSs provide high-quality, dependable backup power.

Do you provide generator or uninterruptible power supply installation services?

We not only provide generator or uninterruptible power supply installation services for equipment we have supplied, but also for customers who already have the equipment, and just want it installed. Power protection, generators and uninterruptible power supplies go hand in hand together.

Who makes KJ power generator sets in Ethiopia?

Our skilled technicians and engineers ensure that your equipment operates optimally throughout its lifespan. MHEAR Engineering Enterprise, we take immense pride in being the official distributor and exclusive supplier of KJ Power Generator Sets in Ethiopia.

Do generators and uninterruptible power supplies work together?

Power protection, generators and uninterruptible power supplies go hand in hand together. They are the only serious way to guarantee emergency power for critical systems in the event of mains power failure.
