

## SolarInvert Energy Solutions

# Morocco Solar PV Module Agent

## Overview

---

Moroccan wholesalers and distributors of solar panels, components and complete PV kits. 15 sellers based in Morocco are listed below. List of Moroccan solar sellers. What is a BIPV solar module?

BIPV solar modules, or Building Integrated Photovoltaics, are a revolutionary way to generate renewable energy and improve the efficiency of buildings. As the first company in Morocco to offer BIPV, SUNQ is proud to work with leading manufacturers from Germany to bring these cutting-edge products to our clients.

Who is SUNQ solar?

At SUNQ, we are a leading distributor of solar panels, BIPV solar modules, and aluminum mounting systems. We also offer a range of inverters, DC accessories, and other solar components to help our clients meet their energy needs.

What brands of solar products do you carry?

We carry top brands such as Jinko and JA SOLAR, ensuring that our customers have access to the best products on the market. BIPV solar modules, or Building Integrated Photovoltaics, are a revolutionary way to generate renewable energy and improve the efficiency of buildings.
