

## SolarInvert Energy Solutions

# Myanmar photovoltaic equipment container

## Overview

---

When is Myanmar photovoltaic energy storage power exhibition 2025?

From January 10 to 12, 2025, Yangon Convention and Exhibition Center (YCC) will usher in a grand event focusing on power, new energy storage and lighting industry - 2025 Myanmar photovoltaic Energy Storage Power Exhibition.

What are photovoltaics used for in Myanmar?

In rural areas, photovoltaics are used for charging batteries and pumping water. 70% of the Myanmar population live in rural areas. Myanmar's opened its first solar power plant in Minbu, Magway Division, in November 2018. It can produce as much as 170MW of electricity.

What is a solar PV container?

The Solar PV Container is a containerized solar power solution. It has been designed with the aim of combining solar electricity production and mobility to provide this electricity everywhere around the world.
