

SolarInvert Energy Solutions

New Zealand phase change energy storage system supplier

Overview

Why should you choose a battery management system in New Zealand?

High quality battery solutions, including management systems, inverters, and services, ensuring reliable support across New Zealand. Customised energy storage systems, offering power stabilisation, renewable shifting, and control over energy usage.

Who is launching New Zealand's largest battery energy storage system?

WEL Networks and Infratec are proud to announce the launch of New Zealand's largest Battery Energy Storage System (BESS) with commissioning underway.

Which energy company is building New Zealand's first grid-connected battery energy storage system?

Meridian Energy is building New Zealand's first large-scale grid-connected battery energy storage system (BESS) at Ruakākā on North Island. Paris, January 10, 2023 – Saft, a subsidiary of TotalEnergies, has been awarded a major contract by Meridian Energy to construct New Zealand's first large-scale grid-connected BESS.

Does Saft offer a battery energy storage system for New Zealand?

Saft executive vice president for energy storage solutions Hervé Amossé add: "Saft is proud to provide this first Battery Energy Storage System for New Zealand in the Waikato. We are excited to start this operation phase of the battery for which we will continue to support our partners.

What is a customised energy storage system?

Customised energy storage systems, offering power stabilisation, renewable shifting, and control over energy usage. Tailored renewable energy solutions, including grid-tied, hybrid, off-grid, and battery systems designed to meet your business needs.

What can New Zealand do to improve energy resilience?

WEL Networks and Infratec said they are actively pursuing other opportunities to enhance resilience and increase access to renewable energy in the region. New Zealand currently has a couple of 1MW battery storage systems in operation, but certainly nothing on the scale of the BESS in Huntly.
