

## SolarInvert Energy Solutions

# Nordic lithium battery replacement station cabinet system

**LPSB48V400H**  
**48V or 51.2V**

## Overview

---

Who is Nordic batteries?

At Nordic Batteries we assemble and manufacture customized battery- and energy storage solutions to drive your business forward. Based on our market and technological expertise we deliver solutions powering the green shift for key industries. High energy battery module produced in Norway from norwegian battery cells.

Are Nordic batteries looking for a development engineer?

Nordic Batteries are seeking a development engineer for mechanical construction and system design. Factor 47 is operative! The pilot line where Nordic Batteries will produce their first battery modules is now officially open after the visit from former Prime Minister Erna Solberg where she cut the banner to kick it off.

What are labtron lithium ion battery storage cabinets?

Labtron Lithium Ion Battery Storage Cabinets are engineered for secure storage and controlled battery charging environments. These cabinets feature self-closing, oil-damped doors and triple hinges for maximum structural endurance. They are constructed with a powder-coated steel body and integrated leak-proof sump for safe containment.

How much weight can a lithium ion battery storage cabinet hold?

Max. Shelf Load Max. Shelf Load: 75 kg Max. Shelf Load: 75 kg We are a supplier of high-quality Lithium Ion Battery Storage Cabinet, featuring a powder-coated steel chamber with self-closing, oil-damped doors for safe storage and controlled battery charging environments.
