

## SolarInvert Energy Solutions

# North Africa Han V comes with inverter power

## Overview

---

What is a hanchu hybrid inverter?

The Hanchu 12kW Three Phase 48V Hybrid Inverter is a high-power solution for residential and small commercial solar energy systems. This residential hybrid inverter is compatible with Hanchu HV series batteries and supports multi-unit parallel operation, providing reliable, stable electricity for diverse loads.

What is a hanchu 12Kw 3 phase 48V Hybrid inverter?

Hanchu 12kW Three Phase 48V Hybrid Inverter – HESS-HY-T-12K The Hanchu 12kW Three Phase 48V Hybrid Inverter is a high-power solution for residential and small commercial solar energy systems.

What is a sine wave inverter?

A versatile solution designed for optimal performance and adaptability. With a pure sine wave output and a power factor of 1.0, it ensures a stable power supply. The inverter features a high PV input capability of 500VDC with a built-in 100A MPPT for efficient energy conversion. Notably, it can operate without a battery, providing continuous power.
