

## SolarInvert Energy Solutions

# North Macedonia mobile power storage vehicle manufacturer

## Overview

---

Is North Macedonia a state-owned power company?

North Macedonia's state-owned power company was unbundled and partially privatized in the early 2000s. Austrian utility company EVN has been responsible for electricity distribution in North Macedonia since entering the market in 2006.

Will BMZ move production lines to North Macedonia?

In its business plan BMZ plans to invest in both new lines, as well as relocate production lines from their facilities in Germany and Poland to North Macedonia with various automation level. BMZ emphasizes that no job cuts are planned in Germany or Poland in connection with this step.

How many jobs will VMZ group have in North Macedonia?

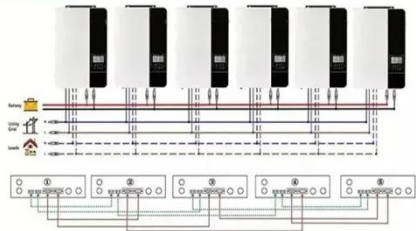

The factory is planned to be put into operation in May next year and to have 40 production lines. Between 770 and 1000 job positions will be created in the future enterprise. At the moment, in North Macedonia, 110 employees work for VMZ Group in an old factory with five production lines.

When did BMZ sign a contract with North Macedonia?

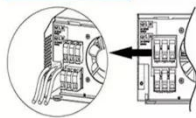

During an official signing ceremony on September 4 th, 2023 at the BMZ Headquarters in Karlstein, Germany, representatives of the Government of North Macedonia and BMZ signed a contract about BMZ's expansion plans and the country's commitment to offer economic subsidies.
