CBW is focused on providing every customer with great service to keep you coming back.

Does CBW sell circuit breakers?

CBW works with our significant network of industry connections to continuously build our inventory through purchasing surplus, used, or discontinued items. We carry hard to find circuit breakers in a wide variety of models and connection types, amp ratings, poles, and AIC ratings.

Can a CBW professional identify a circuit breaker?

Of course not all older circuit breakers and panels may be easily identified by markings or labels. CBW professionals can still help with identification of your breakers, and will locate the exact or suitable replacement. CBW's ecommerce site is your one-stop reliable and convenient destination for every circuit

breaker need.

How do I identify a circuit breaker?

Catalog or part number – referencing a manufacturer’s catalog or part number is always the most important and reliable way of identifying the circuit breaker to be replaced or added. There are often multiple markings on a breaker, and CBW can assist in finding the meaningful coding for your particular item.
