# Old circuit breaker in China in Us

## Overview

---

Where can I find an older or obsolete circuit breaker?

If you're unsure where to look for an older or obsolete circuit breaker, start with our circuit breaker equipment search or our mobile app NPE on the GO to see if the product you're looking for is in our inventory. If you can't find what you're looking for, there's a good chance we know how to help.

What types of circuit breaker equipment does NPE sell?

NPE warehouses a wide variety of old, obsolete, re-manufactured, and refurbished circuit breakers, specializing in low voltage (600 Volt AC or less) through medium voltage (15KV) circuit breakers, switchgear, and parts. Our inventory includes equipment from the following circuit breaker brands:.

Are circuit breaker panel replacement parts worth it?

They were produced and installed during the 1930s to 1960s, making them extremely old and outdated. Finding circuit breaker panel replacement parts for them can be expensive and risky. With that, they have reports of failing to trip in the presence of overcurrent.

Are old circuit breakers a fire hazard?

During some tests, these old style circuit breakers failed to trip at high rates ranging from 25% and going up to 65% in some cases, making them a major fire hazard and dangerous. Changing the circuit breakers with FPE replacement breakers is not less dangerous, so replacement is best. 2. Zinsco and Zinsco-Sylvania.

Do old breaker boxes have switches?

These old breaker boxes are easily recognizable as they don't have switches but buttons you need to push when switching them off. They were produced and installed during the 1930s to 1960s, making them extremely old and outdated. Finding circuit breaker panel replacement parts for them can be

expensive and risky.

What percentage of switchgear is over 20 years old?

\*Based on informal survey of customers 1994-1996 Over 75% of commercial and industrial switchgear is over 20 years old. Learn where to find the right circuit breakers and parts for your business.
