Outdoor power supply used in Swaziland

3.2v 280ah

Overview

What type of plug does Swaziland use?

Swaziland uses power outlets and plugs of type M. Take a look at the picture below to see what this plug and power socket looks like: Doesn't look familiar?

Do the outlets look different in your country?

You'll need a power plug adapter. Be careful!.

Are there electrical outlets in Swaziland?

No, the electrical outlets in Swaziland are different from those in the United States. In Swaziland electrical outlets of type M are used, while the United States has electrical outlets of types A & B. Do I need a travel adapter for Swaziland?

The electrical outlets and power plugs in Swaziland are of type M (see images) .

Do I need a travel adapter in Swaziland?

The electrical outlets and power plugs in Swaziland are of type M (see images) . If your country uses the same electrical outlets and power plugs, you don't need a travel adapter. However, you may still need a voltage converter if the voltage is different.

What is the standard power socket voltage in Swaziland?

All power sockets in Swaziland provide a standard voltage of 230V with a standard frequency of 50Hz. You can use all your equipment in Swaziland if the outlet voltage in your own country is between 220V-240V. This is the case in most of Europe, Australia, the United Kingdom and most countries in Africa and Asia.

Do I need a voltage converter in Swaziland?

This is the case in most of Europe, Australia, the United Kingdom and most countries in Africa and Asia. If the standard voltage in your country is in the range of 100V-127V (which is most common in the US, Canada and countries in South America) you might need a voltage converter in Swaziland. The standard frequency in Swaziland is 50Hz.

Can I connect my laptop charger to an electrical outlet in Swaziland?

Yes, you can connect your laptop charger to an electrical outlet in Swaziland as long as the outlet is compatible with the charger's voltage and plug type. In Swaziland, the standard voltage is 230V and the standard frequency is 50Hz.
