Penang Malaysia glass photovoltaic panels

Overview

Where to buy solar panels in Malaysia?

As a trusted and experienced solar panel distributor in Malaysia, we provide resources on everything solar, as well as products and brands that meet your specific solar power system requirements. Whether you need to buy solar panels in Malaysia or are simply looking into a solar panel cost, Solar Boost is your reliable solar supplier in the region.

Who makes solar energy glass?

The glass produced in these plants is exclusively supplied to First Solar. The Group is also considering expanding further capacity for solar energy glass in USA, to ensure it meets solar glass demand by First Solar.

Where is halovega solar based?

Where there is sunlight, there is HaloVega. Proudly Malaysian owned and operated, HaloVega Solar (HVS) is headquartered in Prai Industrial Estate in Penang, Malaysia. Launched in July 2025 with an annual production capacity of 1.2GW N-type solar cells, we are the first domestic Malaysian N-type solar cells manufacturer.

What are solar glass products?

Available with added functionalities, such as transparent conductive coatings or anti-reflective coatings, our solar glass products not only offer durable transparent protection to solar panels, but also become a functional component of solar modules.

When will TCO glass be made in Malaysia?

NSG Group is pleased to announce the warm up of a newly converted TCO (transparent conductive oxide) facility in Malaysia. In this investment, an existing float line at the Johor Bahru factory of Malaysian Sheet Glass SDN BHD, a member of NSG Group, has been converted to begin producing TCO

glass from December 2023.

Where is first solar glass made?

In order to meet the growing global demand for solar panels manufactured by First Solar, NSG Group started operation of the second dedicated float line for solar glass in Vietnam in January 2020, and a new plant in Luckey, Ohio, USA has been operating since November 2020. The glass produced in these plants is exclusively supplied to First Solar.
