

## SolarInvert Energy Solutions

# Photovoltaic energy storage planning in western Comoros

## Overview

---

The Government of Comoros wants to improve the supply and storage of solar on its islands and is inviting applications for the development, operation and maintenance of multiple PV plants with a combined output of 9 MW, as well as battery and storage facilities totaling 20 MWh.

## Photovoltaic energy storage planning in western Comoros

---

### Comoros energy storage photovoltaic

ambitious solar energy initiative! We invite qualified consulting engineering firms to contribute to the Comoros Solar Energy Access Project, a World Bank-supported endeavor aimed at ...
