

SolarInvert Energy Solutions

Photovoltaic panel manufacturers in Vietnam shopping malls

Overview

Who makes solar panels in Vietnam?

JinkoSolar, another international solar panel manufacturer, has a significant market presence in Vietnam. The company focuses on producing high-quality solar panels that offer exceptional reliability, performance, and durability. JinkoSolar's panels are widely used across Vietnam for residential, commercial, and utility-scale solar projects.

Who is Trina Solar Vietnam?

Trina Solar Vietnam has made a name for itself by providing high-quality, durable solar panels that contribute to the global transition to renewable energy. Founded in 2005, JA Solar Vietnam is a subsidiary of JA Solar, a renowned solar panel manufacturer with operations globally. The Vietnamese branch is located in Bac Giang Province.

Are solar panels regulated in Vietnam?

In Vietnam, the certification for solar panels and solar inverters is strictly regulated by the Directorate for Standards, Metrology, and Quality (STAMEQ) under the Ministry of Science and Technology.

Where are HT-SAAE solar panels made?

HT-SAAE, a prominent solar panel manufacturer in China, has a strong market presence in Vietnam. The company provides a broad range of solar panel solutions known for their excellent performance, durability, and energy efficiency. HT-SAAE's panels are frequently used across Vietnam for residential, commercial, and utility-scale installations.

Where are Vsun solar panels made?

Located in Bac Giang province, Vsun is equipped with advanced solar PV production lines from Japan and produces a wide range of high-efficiency solar products. Vsun's product portfolio includes both mono and polycrystalline

solar modules that offer high efficiency and excellent durability.

Who is JA Solar Vietnam?

Founded in 2005, JA Solar Vietnam is a subsidiary of JA Solar, a renowned solar panel manufacturer with operations globally. The Vietnamese branch is located in Bac Giang Province. Over the years, JA Solar has solidified its reputation as a leading manufacturer of high-performance solar products.
