Photovoltaic tile cost

Overview

How much does a solar roof tile system cost?

To give you an idea, the average 3.5 kW solar roof tile system will cost around £13,000, compared to approximately £7,000 for a regular PV system. However, remember that you are also getting a new roof with your solar tiles, so a direct price comparison is slightly misleading. Information last updated in April 2025.

How much power do solar roof tiles produce?

The power production of solar roof tiles relies on various factors, including the system's size, the solar cells' efficiency, and the amount of sunlight received. Solar roof tiles can generate between 10-63 watts of power per square foot. The total power output of a system will depend on the configuration and size of the installation.

Are solar roof tiles a viable alternative to traditional solar panels?

Solar roof tiles could be the answer if you're looking to utilise the sun's power and make use of a sustainable alternative for your energy needs. This article explores the costs, pros, and cons of solar roof tiles in 2025 and helps you understand how they differ from traditional solar panels.

Do solar tiles increase property value?

Solar tiles tend to have higher upfront costs compared to solar panels. The integration and customisation required for a seamless installation contribute to the overall costs. However, solar tiles may offer additional value in terms of enhancing property aesthetics and potentially increasing property value. Solar panels:.

What are solar roof tiles?

Just like solar panels, solar roof tiles convert sunlight into electricity, but they're made to look just like traditional roof tiles. Some models are actual

roof tiles with integrated solar cells.

Are solar panels better than roof tiles?

Solar panels, that is solar panels on slate roofs, are still the better investment overall compared to solar roof tiles. Roof tiles are expensive because you are ultimately installing a new roof, and while they look great, they can be less efficient than solar panels.
