

## SolarInvert Energy Solutions

# Poland outdoor portable power supply factory

The image shows a stack of six white SolarInvert outdoor portable power supply units. Each unit has a digital display and control buttons. They are positioned in front of a house with a large array of solar panels on the roof. The background is a scenic view of a field with mountains in the distance.

-  easy to install and use
-  World wide Products
-  faster charging and discharging
-  Multiple protection with alarm systems

**Can save energy**

the battery capacity can be increased freely and flexibly according to the situation of home use.

Rechargeable lithium batteries use safe LiFePO<sub>4</sub>
