

## SolarInvert Energy Solutions

# Portugal Porto aluminum acid energy storage battery pump manufacturer

 Extreme Light Weight

 X3 Extended Cycle life

 Low Self Discharge

 Superior Cranking Power

 Completely Sealed

 Environmental

## Overview

---

Why should Portugal be a reference space for innovation in batteries?

To promote the national value chain and innovation ecosystem in the international market for energy storage technologies and materials, positioning Portugal as a reference space for innovation in batteries.

What is battery Cluster Portugal?

Contribute to positioning Europe as a leader in battery technology and production Mitigation of the climate crisis Open to technology, innovation, and the creation of added value Battery Cluster Portugal é uma associação sem fins lucrativos que incentiva a I&D e os negócios relacionados com sistemas de armazenamento de energia.

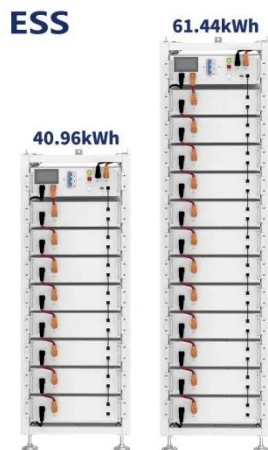

Who makes movitrom batteries?

MovitroM Lda. MovitroM, Lda. is a leading distributor and manufacturer of industrial batteries in Portugal, offering a variety of battery types including lead acid, nickel-cadmium, and lithium-ion, which are essential for applications in telecommunications, power plants, and renewable energies.

How can Europe become a leader in battery technology & production?

To create synergies with Europe Complete value chain and circular economy Contribute to positioning Europe as a leader in battery technology and production Mitigation of the climate crisis Open to technology, innovation, and the creation of added value
